TUITION ASSISTANCE INFORMATION

St. John School provides tuition assistance for every family who demonstrates financial need. All financial aid is based on the need or financial status of the student's family, the number of qualifying requests received, and the amount of financial aid funds that are available for a given school year. The amount of assistance will not exceed 70% of the total cost of tuition. A student must be officially registered, including payment of registration fee, before applying for tuition assistance.

An outside agency, FACTS Grant & Aid Assessment, is used to objectively and confidentially determine financial need. Based on a comprehensive evaluation of key factors taken from the information provided, FACTS is able to provide St. John School with a determination of the appropriate level of tuition assistance.

APPLYING FOR TUITION ASSISTANCE

- Apply using your Family Portal.
- A non-refundable processing fee of \$35 paid to FACTS will be required for consideration.
- Families who apply for tuition assistance through FACTS will also be considered for additional assistance through the LESA Building Blocks program.
- Application deadline for tuition assistance is April 1 to ensure you receive the maximum aid for which you qualify. This includes the submission of your tax returns.
- Late applications may be reviewed; the aid received will be dependent on the availability of remaining funds.
- Notification of tuition assistance awards will be sent by April 30.
