

ST. JOHN SCHOOL

A PERSONALIZED LEARNING ACADEMY

Centered Care Caregiver

Overview:

Caregivers are responsible for supervising and caring for children 2 to 13 years old in the Centered Care (before and after school) childcare program for St. John School.

Responsibilities:

We have 4 different classrooms for different ages: one for 2 and 3 year olds, one for 4 and 5 year olds, one for kindergarten through 2nd grade, and one for 3rd through 8th grade. The needs of the students vary from room to room, but all of our caregivers are responsible for:

- Greeting students and their parents in a prompt and friendly manner.
- Actively engaging with the students (through games, activities, book reading, conversation, etc.)
- Tending to physical needs such as bathroom breaks (diaper changing for the youngest) and snack time.
- Modeling positive behavior and communication. Students learn healthy communication strategies through the adults around them, so caregivers are always required to speak respectfully and calmly when speaking to their students.
- Insuring that the classroom remains a safe and friendly environment for all students at all times.

Qualifications and Experience:

- Must love working with and interacting with children of all ages.
- Prior experience working with children, preferred.
- Must possess strong communication skills with children and adults.
- Must be at least 16 years of age or older.

Work Schedule:

This is a part-time position with flexible hours depending on the Caregiver's availability. Centered Care hours are 7:00-8:15am and 2:30-6:00pm Monday through Friday following the school calendar.

To Apply:

Interested candidates should submit an online employment application at www.stjls.org/jobapplication.
