

INTERNATIONALLY ACCREDITED AND AWARDED

St. John School cultivates confident learners and leaders. Our personalized approach enables your child to focus on real-life success skills and learning in a way that fosters leadership and encourages them to be contributors to the world.

Our program revolutionizes the way students interact with content. Rather than a teach-to-the-middle approach, each student discovers how to own their learning path - equipped with a growth mindset. We foster independence and perseverance through this self-directed approach.

We partner with parents who desire to see their children develop skills in self-regulation, communication, collaboration, and creativity. We're proud of our students, who graduate with a love of learning, curious minds, and a sense of purpose.

St. John School recently underwent a rigorous accreditation review through Cognia and the National Lutheran School Association (NLSA). Specifically, each accrediting body evaluated our Personalized Learning Academy for appropriate academic standards and processes. In addition to being awarded accreditation certificates through three organizations (state, national, and international), we received accolades for instituting exemplary educational practices and fostering continuous improvement.

TUITION ASSISTANCE INFORMATION

St. John School provides tuition assistance for every family who demonstrates financial need. All financial aid is based on the need or financial status of the student's family, the number of qualifying requests received, and the amount of financial aid funds that are available for a given school year. The amount of assistance will not exceed 70% of the total cost of tuition. A student must be officially registered, including payment of registration fee, before applying for tuition assistance.

An outside agency, FACTS Grant & Aid Assessment, is used to objectively and confidentially determine financial need. Based on a comprehensive evaluation of key factors taken from the information provided, FACTS is able to provide St. John School with a determination of the appropriate level of tuition assistance.

APPLYING FOR TUITION ASSISTANCE

- Apply using your FACTS Family Portal.
- A non-refundable processing fee of \$35 paid to FACTS will be required for consideration.
