*\*The 6th grade curricula for **ELA, Science, Math** and **Social Studies** is also incorporated into collaborative projects during PBL time built into the weekly schedule.*

*\*The 6th grade standards for **Math, ELA, Social Studies, and Science** are also addressed through self-paced work allowing students to move at their personal growth rate and are not on a set timeline. Self-paced work is supported by small group (based on student need) and whole group instruction.*

*\*\*\*As part of **religion** class students will take part in a service project each quarter.*
